

Name _____

Go to the nearest exit!

If there is a home fire, what can you do? Practice this drill.

STOP

Quick! Stop everything you are doing.
Head to the nearest safe exit. If there is smoke...

GO LOW

Avoid the smoke by going low and
moving fast. If your clothes catch fire...

DROP

Drop to the floor and use your
hands to cover your face.

ROLL

Roll over and over, back and forth till the
fire is out. Continue to your nearest exit.
